Dear Mother,

*So far my adventure to the world of the unknown has
been fine. Nursing training has been scheduled for the
week. Haven't done it yet but I love every minute of this.*

Hope you are all well

From your dearest child

To My Dearest Mother,

*I've started my job, I felt fine for the first few days but
now I'm scared. Seeing the soldiers injured. It's making
me realise that this war may not be worth such pain but I
am well and will keep safe*

From your loving child

To My Sweet Mother,

*I've just saved a soldier's life. It might be amazing for
you to hear but I do it every hour. It will be worse after
the big push but as ever I am safe and enjoying my nurs-
ing life close to the front line.*

From your dearest

Emeline
