POST CARD.

Dear Antony, My Darling

I have received your magical gift, it's beautiful. I will keep it by my bed. I will look at it every night. You must have put a lot of hard work in to it. I can smell you on it.

I think of you every day and miss you. I know you are doing your duty for our country. You amaze me with your bravery.

Looking forward to your correspondence.

With all my love

Sarah
