I Am Waiting For You

*I am waiting for you,
to win the murderous war.*

*Waiting for you,
to see the light of day.*

*I am waiting for you,
to come back
to our home.*

*Waiting for you
to make me smile,
like before the war.*

*I am waiting for you,
to live a normal life.*

*To enjoy.
Waiting for you,
to come home alive.*

*I am waiting for you,
to not make me feel alone.*

*Waiting for you
to make me
stop waiting
For you.*
