I Can Wait Forever

*I am waiting for you,
You great big generals
With fat noses
And hard hearts.*

*I am waiting for you
To stop this war,
To set them free.*

*I am waiting for you.
I have been waiting,
Waiting for him
To come home.
Waiting for this war
To stop.*

*I will not rest
Until it stops.*

*I can wait
And
I will be waiting
For you.*
