Waiting for You

*I am waiting for you,
Waiting for you to come home.*

*I miss you dearly
I have no idea
What's ahead of me.
All I need to know
is that you're alright
Or even that you are safe.*

*I am waiting to know how horrific the sounds
Of gunshot may be,
Striking at soldiers
Like thunder and lightning.*

*I understand
You had to fight
But this waiting is killing me,
Knowing how the Germans may be destroying you.*

*Yet still I lie here
Waiting.*
